Heba

22/6

Leader name: Nesma

Task 1 => PHP Basics

Codecademy

Starting date: 22/6

Ending Date: 26/6

expectation: 5 days

She couldn't finish it at time

Reason: there was a miss understanding about The task.

Note: But she replaced it this time by recapping some old projects.

Task Begin..

Started at: 26/6

Ended at: 29/6

Rate: * * * * *

She ended the task before the expectation time.

Task 2 => Super Global

ELZero Web School

Starting date: 29/6

Ending Date: 3/7

expectation: 5 days

She couldn't finish it at time

Reason: because of an urgent excuse

Task Begin...

Started at: 5/7

Ended at: 8/7

Rate: * * * * *

She ended the task before the expectation time.

Task 3 => Emailing Function

W3schools

Starting date: 3/7

Ending Date: 6/7

expectation: 3 days

She couldn't finish it at time
